

## ABORIGINES PICKET PARLIAMENT

ABORIGINES and students yesterday picketed the Victorian Parliament House in relays for several hours. Pictured above (L-R) are, Mr Stewart Hood, 64, formerly of Lake Tyers Settlement, Mr David Anderson of Mildura and Mr Laurie Moffatt, 67, formerly of Lake Tyers. They were protesting at the Government's decision to close the Lake Tyers Settlement and demanded security of tenure for Aborigines. The Chief Secretary, Mr Rylah, last night would not say what plans the Government had for Lake Tyers, which is in East Gippsland.
